The Honorable \_\_\_\_\_  
House of Representatives or United States Senate  
Office Address of Representative or Senator \_\_\_\_\_

Dear Representative/Senator \_\_\_\_\_,

**(In your first paragraph include personal information)** I am very fortunate to have been provided with an excellent education that prepared me for the future. I currently have children in both elementary and middle school. Recently, I have become very concerned about legislative impact on education. As a parent yourself, I am sure that you share many of these concerns.

**(Include facts)** Research has shown that schools with strong school library media programs have better rates of success. For example, in Alaska it was found that schools with a full time librarian scored higher on standardized tests than schools with only part time librarians. These schools were able to have longer hours of operation, leading to higher rates of circulation, thus impacting student achievement. Similar findings have been made in many other states across our country.

**(State what you are asking for)** I ask that you support (Insert name of bill here). In supporting this bill funding will be provided that will support school library media programs. This is a very small price to invest in the futures of our nations children. All children should have the opportunity to achieve and develop skills necessary for the future. I believe that in supporting this bill you will impact the lives of countless children.

Sincerely,

Ma Fisher

Mr. Brent Butler  
Marketing Director  
Sony  
6 Laredo Street  
Chandler, AZ 11222

Dear Mr. Butler:

It is with extreme regret that I am informing you of my decision to resign from my position as marketing manager for Sony, with immediate effect. I will be in touch with Ms. Linda Hall to sort of the details of this unexpected turn of events from a human resource point of view.

I was recently diagnosed with stage 2 lung cancer. In the beginning, I felt that I could cope with medication which is why I didn't inform you. The recent chemotherapy that I went through, however, as made me feel that I can no longer handle the hectic schedule or meet the deadlines given to me. If I continue working, I will not only be unfair to myself but to the company as well.

My employment agreement states that I need to provide a 30 days' notice of my intent to leave. I am afraid that is not possible for me to do. I understand that by not meeting the terms of my employment, I am liable for a pay pro-rata and reversal of accumulated benefits, which is fine with me.

I apologize for putting you in such a position where you will need to hire someone on an immediate basis which I realize will not be easy. Thank you for providing me with this great opportunity to work with one of the best companies in the state.

Sincerely,

(Signature)

100 Broadway Lane  
New Parkland, CA, 91010

Dear Pastor Williams,

It is with a very heavy heart that I am forced to resign my position as choir director for First Assembly Church effective two weeks from today. My husband's transfer to Europe means that I am about to experience a whole new chapter in my life. While I am excited, I am also sad to leave behind the friends I have made.

I have discussed this situation with April Anderson and she is very anxious to discuss the possibility of her taking over this position with you. I fully endorse April as she is extremely talented and a very dedicated member of the choir. Her enthusiasm for the position also makes her the ideal candidate.

I would like to thank you for everything you have done to make my life so wonderful these past few years. My husband and I will both be sad to leave and we both wanted to tell you that you have enriched our lives so very much. If you need more details or further information, I can be reached by phone at 555-343-5432 until October 1, 2014. You can always reach me by email at vsherman@email.com.

Carl Thomas  
Branch Manager Tomato Bank  
100 Broadway Lane  
London UK, NW80QE

Dear Mr. Thomas

It is with great sadness and anticipation that I offer my resignation as a loan officer for Tomato Bank. I know that to move ahead in my career I will need to enhance my education with a Master's degree in Business Administration. I will be taking two years off from my career to get my MBA and get back into the banking industry with a better position.

Your support and kindness over the past few years have been invaluable to me. I have learned a great deal from you especially how to be a successful branch manager. I wish you nothing but the best of success in the future in every one of your personal and professional endeavours.

I am willing to give a two-week's notice if that is what you require. I also understand that there will be a considerable amount of paperwork to fill out with human resources. If you need to contact me and discuss this any further please feel free to call me at 555-323-6533 or email me at frankhorton@email.com. I appreciate the opportunity to start my career at Tomato Bank and I will use what I have learned to further my career.

Sincerely Yours
